LETTERS, COMMENTS AND PURE ASS-PLAY

KALEAH'S ASS IS A HIT AND THEY'RE WILD FOR HONEY'S SWEET HOLE!

Dear *BootyLicious,*

I'll worship Kaleah Korrine's full, plump, round ass cheeks and her puckered asshole. Spreading Kaleah's cocoa cheeks and sliding my tongue inside to taste her sweet backdoor meat is my ultimate fantasy. I would dive in between her sweet cheeks and eat her ass and her twat at the same time. I would love her to

cum all over my face. She looks like she gets nice and wet. I would like to get her in doggie-style and mount her from behind so I could get my cock deep inside her hot ass. I would want my balls to smack against her cheeks while I fucking slam her. That is my fantasy.

Another sweet backdoor hole that I would love to lick and fuck is the awesome ass of Honey Monroe. She has an amazing ass and I wouldn't mind putting her chocolate starfish on my face. I would love to fill her tight asshole with my dick. She could bounce up and down on my hard cock until I filled her chocolate asshole with my white cum.–B.C., Old Bridge, New Jersey

Dear *BootyLicious,*

Had to write in and say that Kaleah Korrine from the September '09 issue is a stone-cold FOX. What a beauty! She has a great face and an amazing ass. And I loved seeing her get fucked. She looked like she was loving it! Where can I see more of Kaleah getting dicked down?–H.C., San Diego, California

Dear *BootyLicious,*

I just scored my copy of the June '09 issue *BootyLicious* and all I can say is that I need a tasted of Honey Monroe, like, right now! She is fucking gorgeous! What a beautiful face and I loved that shot on the last page of her pictorial where she is sitting on the glass and you can see her ass cheeks nice and squished. I imagine that it would look like that if she were sitting on my face! Please bring her back because she is my new favorite.–G.D., Houston, Texas

any winners yet? And while I am on the subject of *Slam Jam*, I wanted to give you guys a well-deserved congratulations for that DVD. It was full of a lot of horny ass-fucking and big assed beauties. I watched it, like, 10 times the first week I got my copy. I recommend it to anyone who likes ass. Hopefully you haven't announced the winners and an ass-lover like me still has a chance. Any info would be appreciated.–D.F.,

VICTORIA IS HOT FIRE!

Dear *BootyLicious,*

Just want to say I was checking out the March '09 issue of *BootyLicious* Mag and damn that girl Victoria is hot fire! She is so fresh-faced and her asshole looks like it is begging for dick. I love the pic on page 65, where she has her ass spread open! It is so amazing. It had me stroking my hard wood right away. I love shots like that, where the girl is looking over her shoulder. It's like she is asking you to come and get it. Victoria could get it all the time if she wanted it. I don't know where you guys find these girls, but I wish I lived in that part of town! I never find girls like that where I live. So thank goodness for a mag like *BootyLicious*! Just wanted to let you know that I love your publication and don't know what I'd do without it. It keeps this white boy and his dick very happy. Keep up the good work and can't wait to see some more new booties!–M.L., Fort Collins, Colorado

Dear M.L.: How could we not show her asshole now? We are sure other readers would like to see the pucker that inspired your letter. Thanks for the kind words and look out for more Victoria in upcoming issues.

YAZMINA: LATINA, LUSCIOUS AND LUSTFUL!

Dear *BootyLicious,*

I have two new words for hotness and those words are Yazmina Melendez. Wow! I have never been so attracted to a Latina in my life. I mean, I am a Latin man and I see Latina ass all the time. I am more attracted to black women, which is why I love

VICTORIA'S RUMP: READY FOR COCK.

BootyLicious Mag. But there is something about Yazmina that is out of this world. I think it's her face. She looks horny all the time. I have never wanted to bury my face in someone's ass crack as much as I do hers. She is an A+ and you guys did a great job with putting her in the June issue! Good job. Thumbs and cock up to all of you guys at *BootyLicious*.–E.S., Brooklyn, New York

Dear *BootyLicious,*

For the record, I've been a HUGE fan of *BootyLicious* Magazine for a while now. But, I can honestly say after seeing Yazmina Melendez in the June '09 issue, I am convinced, undeterred and unwavering in saying she has the single most-beautiful cheeks in on the globe. I've been to Croatia (Don't knock it till you been there.) to Switzerland to Brazil. I have been dropped headfirst in the Caribbean and back and I can still say that is the finest ass on the planet. I just wanna take it, sleep on it, eat off it and get it pregnant.

I just want to poke it once with my cock. That's all I want and would probably need. Yazmina is enough for any man. She is a perfect 10, all the way!–L.C., Bronx, New York

Dear *BootyLicious,*

Yazmina Melendez is a hit! Not only does she have a great ass, but she also has big titties. She's built like a dream girl you'd want to fuck all night. I thought all her pics were very sexy and she is my all-time, favorite, sexy Latina that you guys have ever put into the

The lucky winner of Mz. Booty's shredded shorts contest from the September 2009 issue of *BootyLicious* is F.S. from Olmstead Falls, Ohio! F.S. wrote in and let us know that Mz. Booty's ass is, "Like heaven. It is so big and plush that I lose control just looking at it. I would love to get my hands on her ass and my cock in between her cheeks!"

Well F.S., now you can revel in the fact that you own a pair of shorts that Mz. Booty shredded with her big, wondrous booty. We'd like to extend our congratulations to the winner and thank every one who participated and wrote in. Remember to be on the lookout for more giveaways and contests in the future!–Maria Guerrero, editor, *BootyLicious* Magazine.

YAZMINA HAS A TAN CAN THAT BEGS FOR A COATING IN YOUR CREAM.

magazine. I fantasize about her fucking me and talking dirty to me in Spanish. How great would it be to hit that ass from the back and have that girl talk raunchy shit to you in Spanish? My dick gets hard just thinking about it. Bring her back!–H.P., via the Internet

Dear *BootyLicious,*

I know you guys get letters all the time from fans saying that they like your magazine. Well, I want to tell you that I love *BootyLicious* magazine! I love it. I get every issue that comes out. And when I got the June '09 issue I was blown away by the juicy rear of Ms. Yazmina Melendez. Yazmina is amazing! I wish I had more hands, so I could give that booty four thumbs up! As it is, my two hands were pretty busy beating my dick to her pictures. Good work. You made me very happy with that issue.–H.K., Fresno, California

Dear *BootyLicious,*

I love Latinas. They are my weakness. I love their skin tone and the fact that they are always so pretty and curvaceous. There is nothing like seeing a tan, ripe Spanish stunner, watching her face light up and then letting your eyes trail down to the rest of her hot body. If I had my way, every girl in the world would be a curvy Latina.

Now, I wanted to point out that you had a model in your magazine that was what I consider to be the perfect example of what a Latina should look like. Her name was Yazmina Melendez and I was floored by how pretty she was and how round her ass was, too. I have seen some cute Latinas in your mag before, but this one was a knockout. She should have her own movie. A movie dedicated to just her fucking and sucking and fingering that sexy ass of hers. I would buy it in a heartbeat. Any plans to make a movie with this Latina in it? You should. I am sure other readers will agree with me when I say that she is totally worth it.–G.S., Waco Texas

BUTT SLUTS JUST WANNA FUCK

MZ. BOOTY WORKS HER 52" ASS

There are chicks who will have sex with you and then there are chicks who will fuck you. But when you need your horny cock rocked and your nuts drained, you might need a chick who is going to freak you. And lucky for you, we've got some big-bootied babes for you! When you are extra-horny, you need to tap some *Big-Cheeked Freaks* 'cause they've got the cushion for pushin' all night long! Check out these six booty-blessed babes as they bend on over and touch their toes, leaving their vise-tight ass-holes exposed! Starring newcomer Mz. Booty and her amazing 52-inch caboose taking on a huge, monster cock!

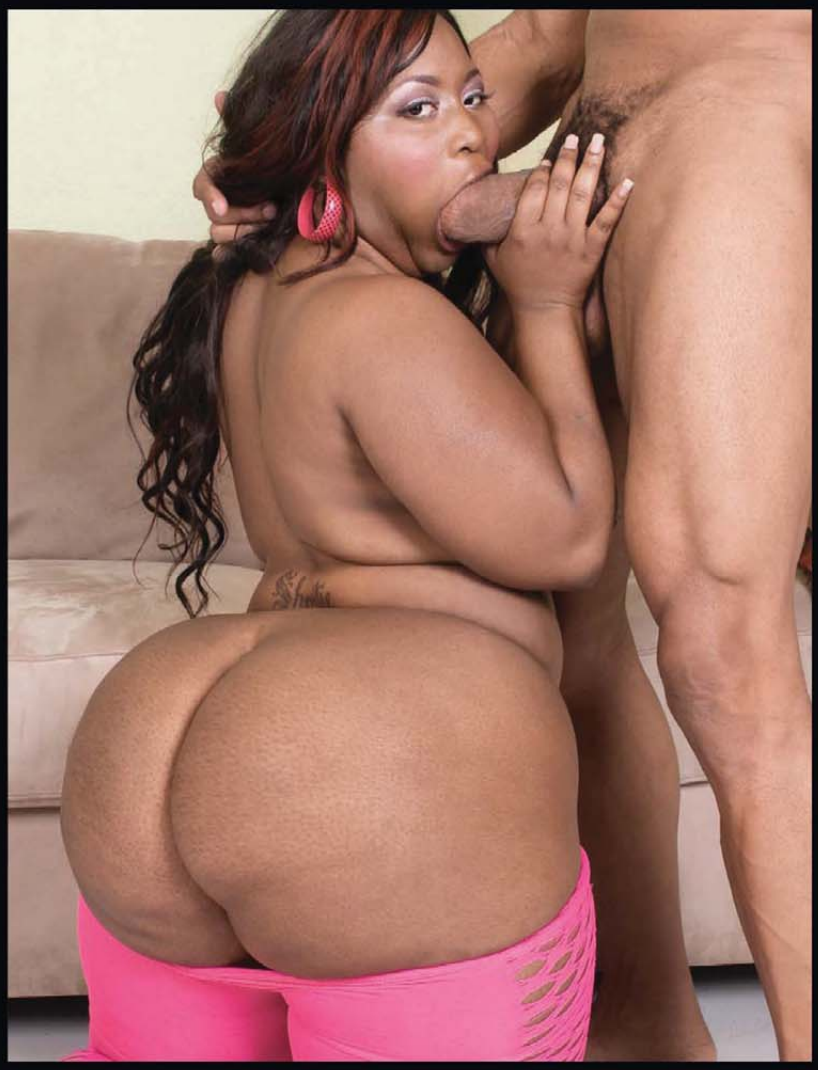

BUST ON ALL THEIR JUICY BUBBLES

BIG CHEEKED FREAKS

MZ. BOOTY

Mz. Booty is an ass phenomenon. Her 52-inch caboose is so big that you can sit on it! Watch as she gives it up to her big-cocked neighbor. She spreads that ass so he can lick and suck it, then she let's him ride that thang doggie-style. And when she rides his monster dong, it isn't long before he is busting his load all over her trunk.

KEITA EDEN

Keita Eden likes the finer things in life. She likes to dress up in fancy lingerie and sip champagne before she seduces her man with her bubble butt. And while poppin' champagne might seem fancy, what is even better is when she pops ice cubes in and out of her warm, wet snatch. This newcomer sucks a cock like a champ and fucks in all sorts of positions before begging her man to cum all over her asshole!

LUSCIOUS LOUIS

Luscious wears a thong for her man and rocks his dong, giving him a sloppy blow job that makes his nuts tingle. Then she lets him eat her pussy and slap her ass so she can sit on his cock and rock her hips on his dick. Luscious does it all, from pile driver to doggie-style because she wants a lot of hot cum. And she gets it, all over her pretty face!

KIKI CARTER

Kiki Carter has a sweet tooth. So she heads to a candy shop to look for something long and hard that she can suck on for hours. After the clerk shows her all the sweets in the shop she asks him to show her his magic stick so she can suck on that. But, like all sex freaks, Kiki doesn't only want his hard meat in her mouth...she wants it up her ass tunnel, too. She takes his pole up her rump while sucking on a real lollipop. And when he coats her ass with cum, she takes a lick of that, too, because she can't let all that sweet cream go to waste.

PLEASURE MIA

Loungin' by the pool is one of Pleasure Mia's favorite pastimes...well, except for fuckin', that is. That's why she lands herself a man who will oil up her big ass by the pool and rub all that oil in before sticking his cock in her mouth. And when she takes him indoors for some cowgirl action, you will love watching her plump, mocha cheeks bounce up and down. She rides him and then lets him ride her pussy from behind, taking a cheek coating of cum and playing with it afterwards.

MORGAN CUMMINGS

Morgan is built for fucking. She is a thick, big-assed mama, and she warms herself up for some deep-dickin' by fingering her juicy snatch. All that fingering makes her hungry and she swallows a dick like she hasn't eaten in weeks! That leads to some serious cowgirl 'cause she loves the cock!

GOOD REVIEWS FOR *WHITE BREAD, BLACK JELLY*

Dear *BootyLicious,*

A few days ago I bought your video, *White Bread, Black Jelly* and I'm gonna tell you that busted my nut more times than I can remember. The girls are fly and they have tremendous culos (That means great asses in Spanish!). I know about asses because I'm from the Dominican Republic and Dominican girls have the finest booties there are. But this movie featured a lot of quality honies. I love Kapri Styles the most. She is one of my all-time favorites. She has a slim waist, pretty face and the perfect bubble butt. And I love that she takes it in the ass like a freak! I don't think that I have ever seen a tiny girl like that do such serious anal fucking! You guys hit a homerun with that one!

Now, as a Latin man, I have to ask you, are you gonna make a Latina ass video anytime soon? Cause I'll be all over that if you do. That's, like, the best thing you guys could do. More Latinas! –P.C., Hobbs, New Mexico

Dear *BootyLicious,*

Yo! *White Bread, Black Jelly* was off the chain! I bought my copy a few days ago online at *eBoobStore.com* and I really liked it, a whole lot. The black chicks were all sexy and I thought the movie was pretty funny, too. Wanted to let you know that I enjoyed it and that you should do more movies like that. Not just fucking, but a plot, too. It was entertaining and hot. I think that you guys are moving in the right direction. It was great!–J.E., via the Internet

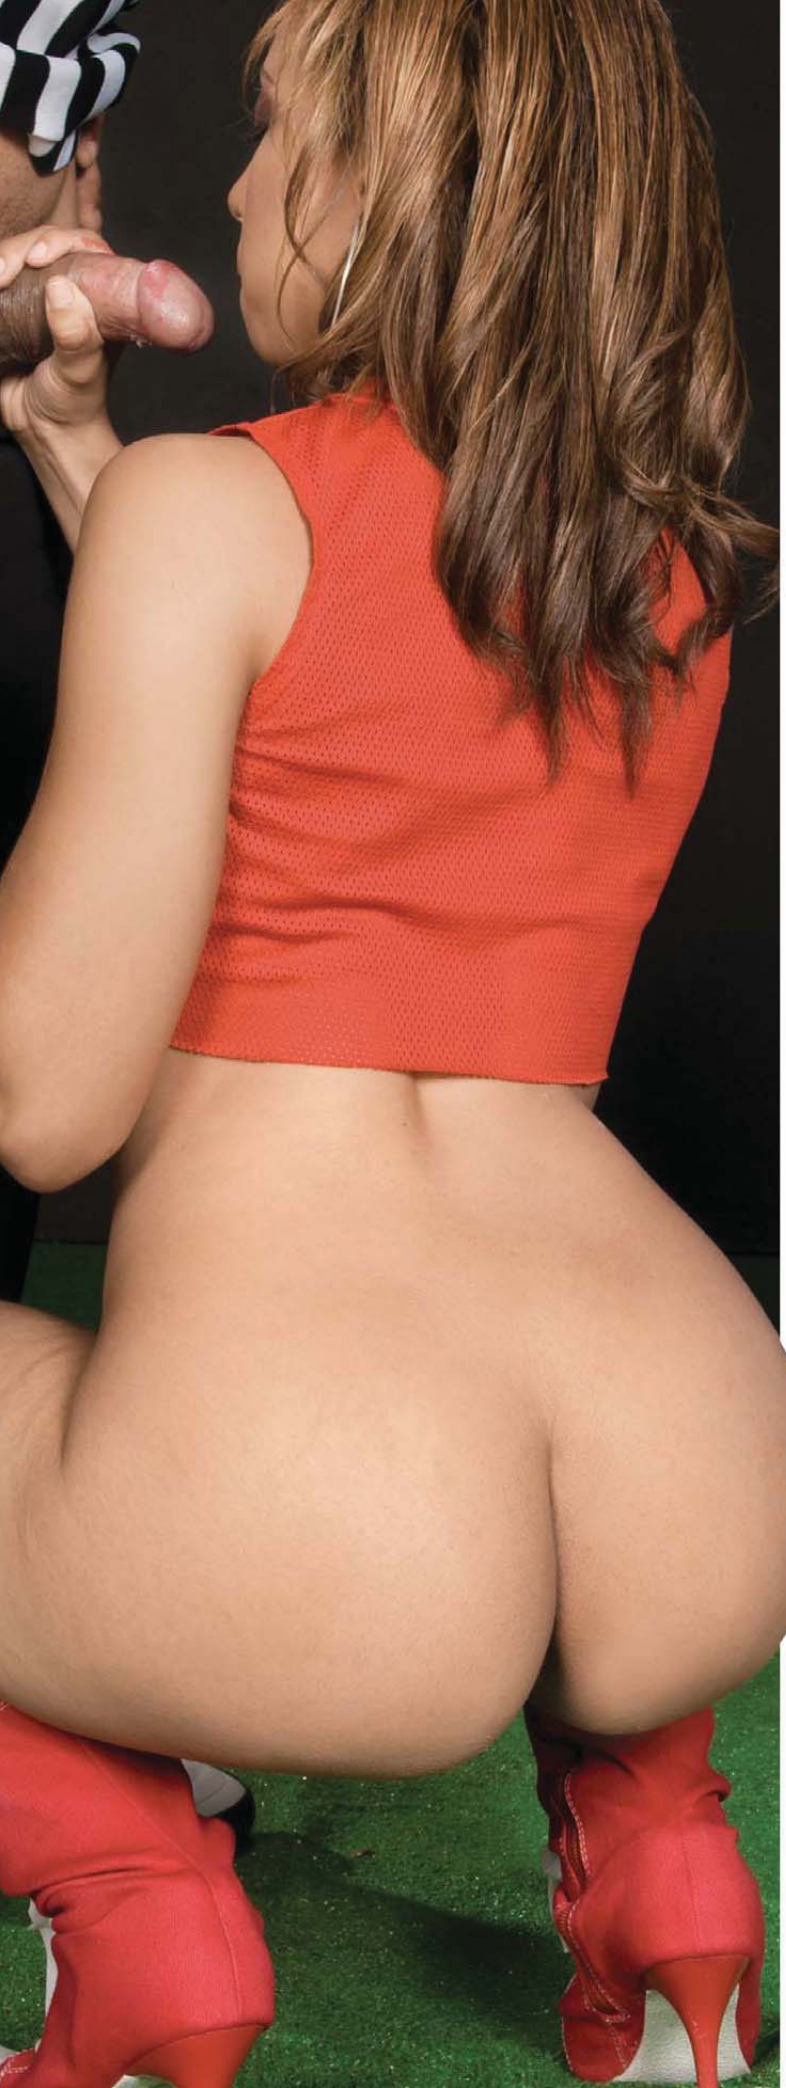

Dear *BootyLicious,*

Hello *BootyLicious* staff! Just wanted

AURORA JOLIE
SPLIT END

Hey, Aurora! In the Dec. '09 issue you said you were an anal angel...

"And this time, I am going to prove it to everyone by doing hardcore XXX for *BootyLicious*! I told you guys that I love anal and unlike chicks that say they are experienced just to come across as sexy, I wasn't just talking trash. I always say don't talk about it, be about it, and that's why I was happy to show you guys just what I can do with this tight asshole. I think that anal sex is the best sex you can have and I really enjoyed doing it on camera. Especially so that I can look at the pictures while I masturbate. Nothing is hotter than watching yourself get fucked really hard."

So, when you do anal, do you have a favorite fuck position to be in for deeper dickin'?

"That's a great question because a lot of times, girls will ask me about that because they are curious about how to make it feel good so they can do anal for their men. I like to be on top in reverse cowgirl when I do anal. It allows my man access to my ass cheeks so he can grab them and squeeze them. And he can see his cock all the way up my ass and I know he likes that. I also like that position because I can ride and rub on my clit at the same time and it feels so good that I cum faster."

Since you are the expert on anal, tell us, what was the best anal sex you ever had, Aurora?

"Well, the best anal sex I ever had was with a football coach I knew who worked at a college in my hometown. He was older and in no rush to be in and out like most guys. He invited me to tour the field and then proceeded to fuck me on the 50-yard line! It was so exciting to be out in the open and I was thrilled at the idea of being watched and caught. The anal was amazing because he really teased my asshole with his fingers and his mouth for a long time, all while he was making my pussy and clit feel good, too. By the time he was halfway through eating my pussy and ass, I was begging for him to give it to me in my asshole. And when he slid it in, he went nice and slow and let me set the pace. We still fuck and he is still my number one ass man!"

BOOTY CALL

to write in and tell you that everything you guys put out kicks ass! All of your movies are good quality and I know that when I am getting something made by *BootyLicious* that it is going to be a great porno. I loved it when you guys put Kara Kane in *White Bread, Black Jelly*. Kara Kane is a fucking horny bitch! She makes this 35-year-old man jack my dick for hours. She makes the horniest faces and she talks dirty, too. It's amazing. And the way she works that booty! She and Luscious Louis really made the movie top-notch for me. And your magazine is a great jack-mag, too. Keep it up, because you know I will with this mag and your DVDs in my hand!–K.H., Columbia, Missouri

Dear *BootyLicious,*

Good job, guys! I just watched your movie, *White Bread, Black Jelly*, and I thought that it was great. The sex was hot. I especially loved the scene with Luscious Louis in it. That woman is so fine and she can fuck like nobody's business. She works her ass like a jackhammer. I kept watching that thing bouncing up and down on that hard dick and I was mesmerized. It was hypnotizing. Luscious is the star of this movie.

I also really liked the scene with Kali Dreams in it. Kali is not my type because she is too muscular, but goddamn that girl can take some dick! I had to watch her get the shit pounded out of her pussy more than once.

Once I had jacked off a few times to this DVD, I actually watched it and I thought that it was really funny. The main character, the white guy, was really dorky and I thought it was cool that you guys got that 2 Live Crew guy to be in the movie, too. They made me laugh in betweeen the scenes. I buy a lot of your booty DVDs and this one was my favorite by far. Keep those creative juices flowing and you'll keep my big dick drippin'. You guys do good work!–Jose, via the Internet

ASKIN' FOR SOME VARIETY

Dear *BootyLicious,*

I am not one to ever complain, but I have some complaints about your mag. The first is that there are never any specials on white women with big asses. I know that everyone loves the black beauties, and I do, too, but I would like

Tropical
T&A

We'd like to say a welcome back to your big boobs and bubble ass, Janet.

"Well, my tits and my booty are glad to be back in *BootyLicious*. I was so excited when you guys put my interview in the magazine in the Feb. '09 issue because so many people saw it and complimented me on how great my ass looked. It was nice to get some recognition for my ass as opposed to my other assets, my tits. And now, I get a lot more guys who want to pay attention to my booty and give it some love. It's nice to have guys pay attention to my body as a whole and not just my breasts. It really turns me on."

When it comes to your ass, what else turns you on, Janet?

"I like to tease guys in short-shorts and tiny skirts. I bend over in front of them and give them a little bit of a show. The attention turns me on and so do their reactions to my ass. People see me from the front and they are into my rack, but my favorite is when they do a double take as I walk by and I know it's because they are looking at my butt. That makes me hot."

We know that the last time we saw you, we were talking about your first time on film with a cock in* Tits & Tugs 2. *Any plans to go all the way and do XXX?

"You know, doing the *Tits & Tugs* movie was hot for me because I was into the idea of doing something to a cock on film but not having to go all the way. I am not the kind of girl who likes to be an exhibitionist in that way, so for me, it's almost as if the *Tits & Tugs* was enough. I feel like I was able to fulfill my fantasy and at the same time, fulfill the fantasies of most of my fans who really wanted to see me work a cock. Doing that movie was a really exciting thing for me to do."

Lush Latina

On behalf of Latina booty lovers everywhere, we want to welcome you to* BootyLicious *magazine, Nena, and say that we think your ass is an A+!

"Well, thank you very much! I am very excited to be here because I have always been a fan of your magazine. I love ladies with big booties and so did my ex-boyfriend. We would look at your magazine together. I cannot believe that I am going to be in the magazine, too! At first I was really nervous but then I started thinking about all the guys who are going to see my naughty pictures and I got really excited. So eat your hearts out and love my pretty ass, all you horny men out there!"

You don't have anything to be nervous about. You're sexy!

"Thank you! You know how it is, though. People think that because you are a nice girl that you're a prude. Just because I'm a nice girl, I'm not supposed to get naked or spread my ass wide for strangers to jack their big, hard cocks to. I think that's crap! I think it's hot that men find me desirable. I may be a nice girl, but I love to be kinky. I get so horny sometimes that I have to masturbate in my car on the road!"

TOP 10
SIGNS
SHE'S INTO ANAL

Ever wonder how to tell if the special big-assed lady of your cream dreams is ready to take your meat stick up her ass tunnel? Well, wonder no longer. Deacon Garrit, a long-time booty man, dives face-first into research on how to tell if a lady is into and ready for a deep ass-hole reaming. The following are the top ten, tell-tail signs that she is into ANAL!

1 She talks about trying new "things".
When a woman starts the discussion about trying new "things" in the bedroom, it's usually code for, "I want to try out anal sex." Maybe not at first, but most women are curious about anal and will drop subtle hints about experimentation rather than come right out and say, "Cum in my ass!"

2 She wears outfits that reveal her ass.
If she is packing a lot of junk in her trunk and she knows you like it, and all of a sudden she is prancing around in tiny booty shorts or thongs, chances are that she wants you to notice her ass. Chances are that she is trying to entice you with her giant can so that you try something. Women like to be coy and flirtatious. Don't miss the signs that she is opening up the gates of her chocolate highway!

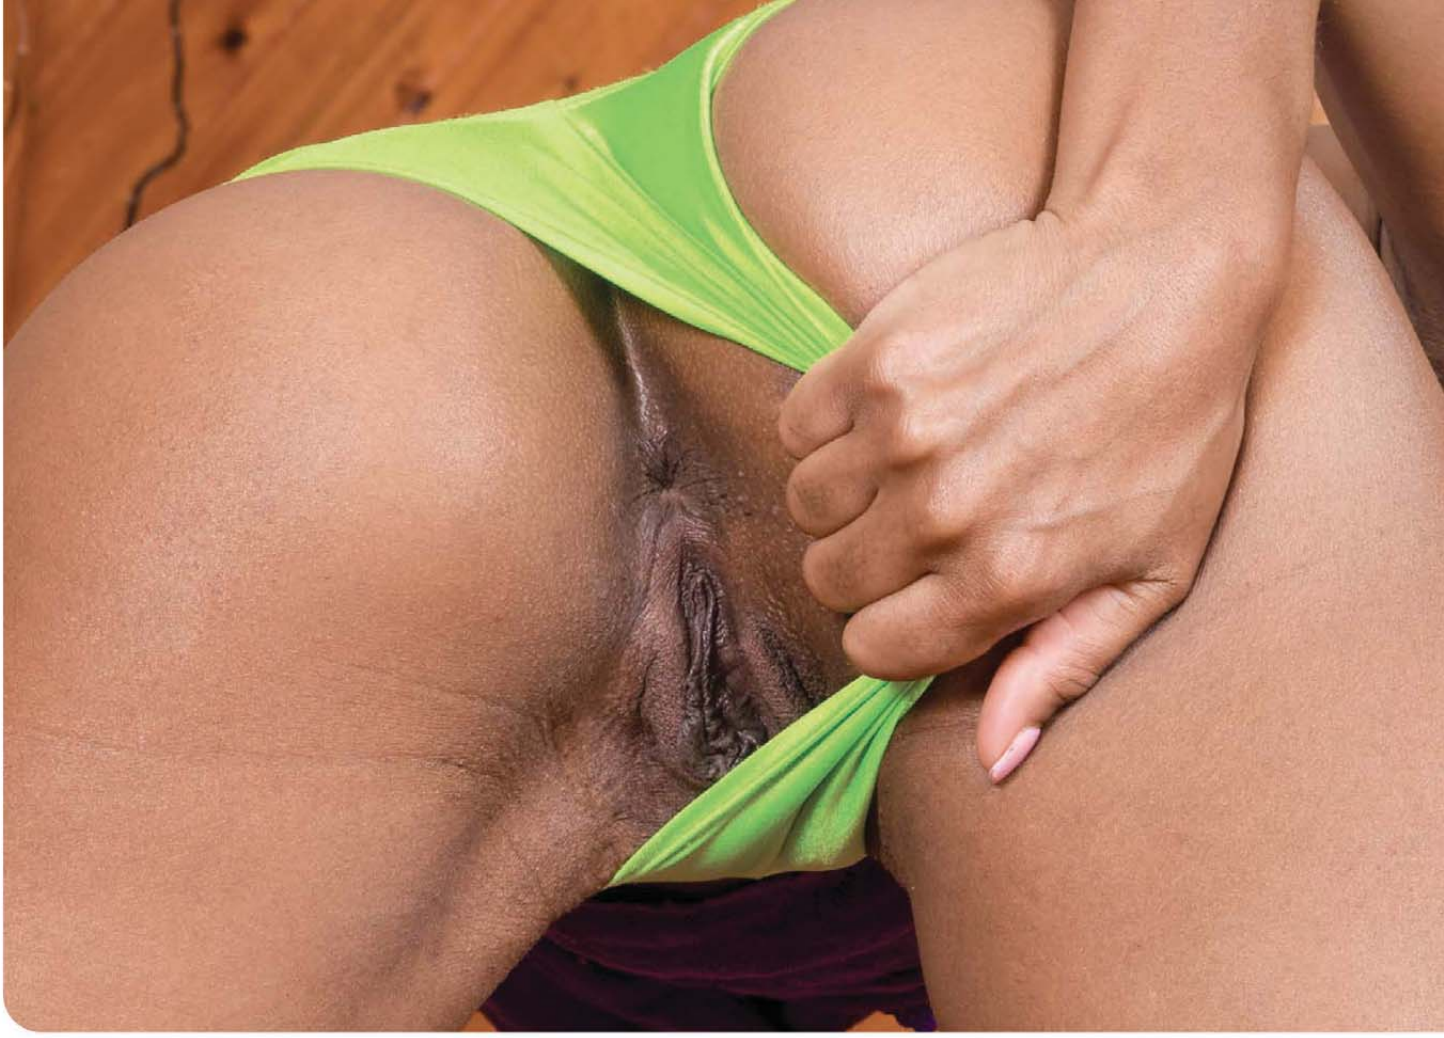

3 She is always finding ways to put her ass on display for you.
When a woman wants you on your knees, spreading her ass cheeks open and pillaging her backdoor with your fingers, mouth and eventually, your cock, she will find ways to position herself for your anal assault. If she is bending over in front of you a lot, or finding reasons to be on all fours in your presence, (i.e.-Needing to suddenly clean the floors in your vicinity, on all fours, right in front of the T.V. while you are watching the game.) chances are that she wants you to do more than just look at her bulbous ass cheeks. Commence your bubble plowing!

4 She likes doggie-style.
A girl that likes it from the back usually likes it in her backside. It's not rocket science. Easy access is, after all, easy access. If a girl is willing to throw her ass in the air for you to penetrate deeper, you are practically at the anal promise land, buddy.

5 She asks you to spread her big ass cheeks wide during sex and spank her ass hard.
Ass play is anal sex's shyer, less-experienced cousin. If your lady love is getting used to the idea of some light spanking and you spreading her caboose open wide like the red sea, then she probably won't mind a gentle suggestion that you be allowed to slide your hard dick in there, too.

"Give it to me good!"
Envy Kenya

Welcome back, Kenya! In the May '09 issue your ass got drilled...

"Yes it did and it was so good! I really liked that you guys let me play some touch football for the shoot. Like I said, I love sports and competition and I loved going one-on-one with that big dick, too! A lot of guys saw my pictures and now they all want to show me their skills; both in the bedroom and on the field. That's awesome cause I've got a booty that is ready for a dick-down from some serious ballers."

What is your favorite thing to do to get you ready for some anal, Kenya?

"I am a pretty tiny lady, so I like it when a guy really man-handles me before we do anal. I like to be tossed around and get fucked nice and rough. And I like it when a guy whispers that he is going to do nasty things to my ass. I think dirty talk is a big part of foreplay and the nastier the talk, the hotter I get and that makes me ready for anal."

Dick-hungry butt sluts shake their asses until they milk the cum out of your balls. Laurie Vargas looks like the Latina girl-next-door, but she'll take your cock deep in her ass. Cherokee has the biggest butt ever, and she knows how to use it. Stacked Jada Fire likes to work her ass-pipe over stiff bones. Plus, Roxy Reynolds & Diamond Starr.

TOP TEN SIGNS...

continued from page 53

6) She wants to play with your asshole.

Women like to share, man. They want to share feelings, moments and everything in between. If your gal pal shows interest in exploring your, uh, "crime scene," she is probably doing so because she wants you to explore hers. If you let them think that you are into doing "couples" shit, women will let you get away with a lot and that includes popping her ass cherry.

7) She starts asking you to cum on her ass.

If a chick has sensitive nipples, she'll ask you lick them. If she really gets off on oral, she will ask you to suck on her clit. And if she is curious about having her pucker tickled by your pickle, she'll ask you to coat her can in your sauce.

8) She likes it when you lick her backdoor while you are eating her pussy.

If you are going downtown and she asks you to take a detour to Brown Town, you do it, pal! This is a sure-fire sign that she is looking for anal stimulation and what does that rhyme with? Yup, anal penetration.

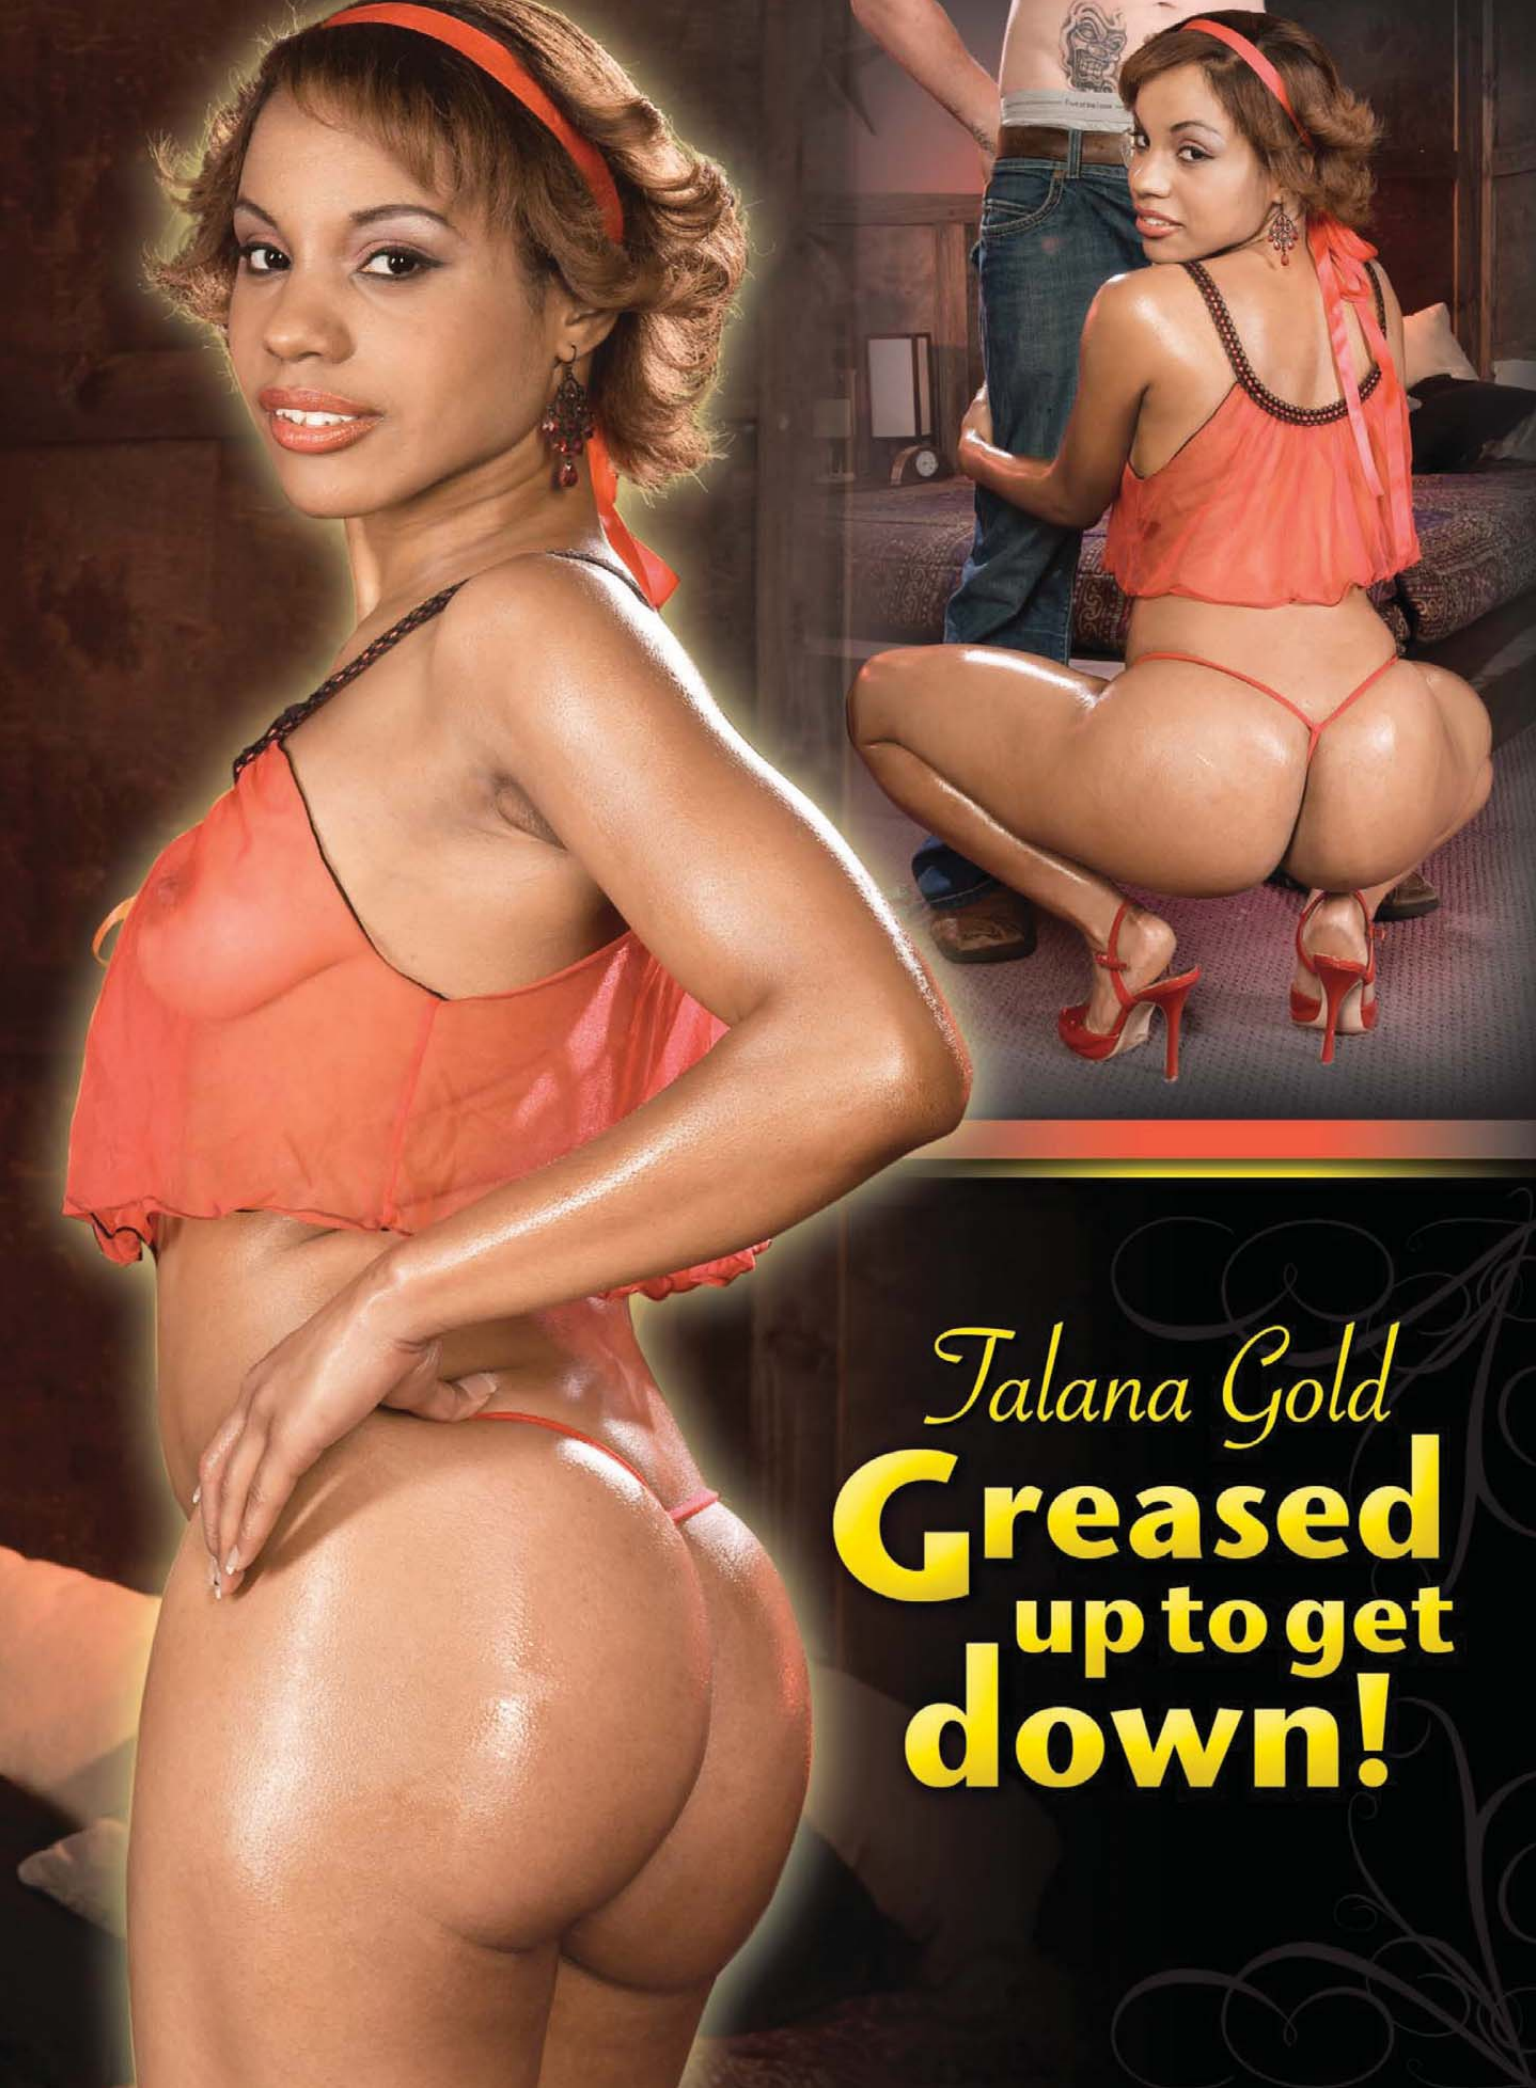

9) She likes a few fingers in there.

A lady asking you to put fingers in her ass is like offering up an ass appetizer that will lead up to the main course of ass-fuckery. She wants to get a taste of what penetration feels like. She wants to know something is stuffing her ass, but she wants to take it slow and easy. So you go ahead and give her brown eye the good ole' one, two. The more fingers you get in there, the better because that just means she is prepping for the main event.

10) She's perusing anal porn and she wants to watch it with you.

A woman's mind is an investigative tool that is full of lots of topics that have been researched to their fullest potential. She doesn't buy a product unless she knows everything that there is to know about it. That's why when she asks you to watch some anal porn with her, she is saying, "Hey, let's look at this how-to manual/instructional video together so we can try this." So, don't hesitate! Get your porn on together!

Now that you've read these 10 signs that anal is coming your way, keep your eyes peeled and your cock aimed at the prize. Remember, every gal wants to try anal, it's up to you to read the signs and take her all the way! **B**

Talana Gold
Greased up to get down!

Welcome back, Talana. In the Aug. '08 issue you gave us all a sneak peek of your freaky side...

"[*Laughs.*] Yup! And I told you guys about how I liked to have sex. Well, I decided to come back and this time, instead of telling you, I am going to show you how I like to have sex. I thought it would be exciting to get my fuck on and show the world how I like to get oily and then kinky. And it was really good because the guy I had sex with was really into it and his dick was huge!"

When you have sex, what positions get you off the best? Do you like it when a guy plays with your asshole? Would you let him put it in your tight asshole?

"I never used to be into anything that remotely involved anal before, but now I am kind of considering it. I was watching a porno one night and I saw a girl getting banged and the guy was tapping his finger on her asshole while they were in doggie-style. I thought it would be fun to try, so I started playing with my asshole while I masturbate and it felt amazing. Especially when I am about to cum. I'll rub on my clit really fast and on my asshole at the same time and it does it for me."

So, did you just tap and rub your asshole or did you go all the way and stick a few of your horny fingers in there, too, Talana. You can tell us the truth.

"[*Laughs.*] Okay, okay…I started off rubbing on it, but then I got curious about fingering it, you know, 'cause it was starting to feel good. After I came a few times by rubbing my clit, I did put some fingers in my ass and you know what? I thought I wouldn't like it, but I really did. It made me cum even harder than I had before. And my fingers just slid right in. even put a big toy in there and imagined how a cock would feel in there, too. I guess I might just be ready to try anal!

Welcome to BootyLicious, Keita. Your outfit is sexy and your thick ass makes us wild!

"Thank you for that compliment. I am so excited to be in your magazine! When I knew you guys were going to take my pictures, I went out and got a bunch of new, sexy outfits that I could wear for my photos. I like to shop and find things that hug my thick body and show off all my curves. I like it when women dress up and flaunt their bodies. You have to show your best assets right? Well, my asset is my tight waist and my thick ass, so I figured I would wear this little outfit for my debut. I really hope that the guys reading the magazine think it's sexy, too!"

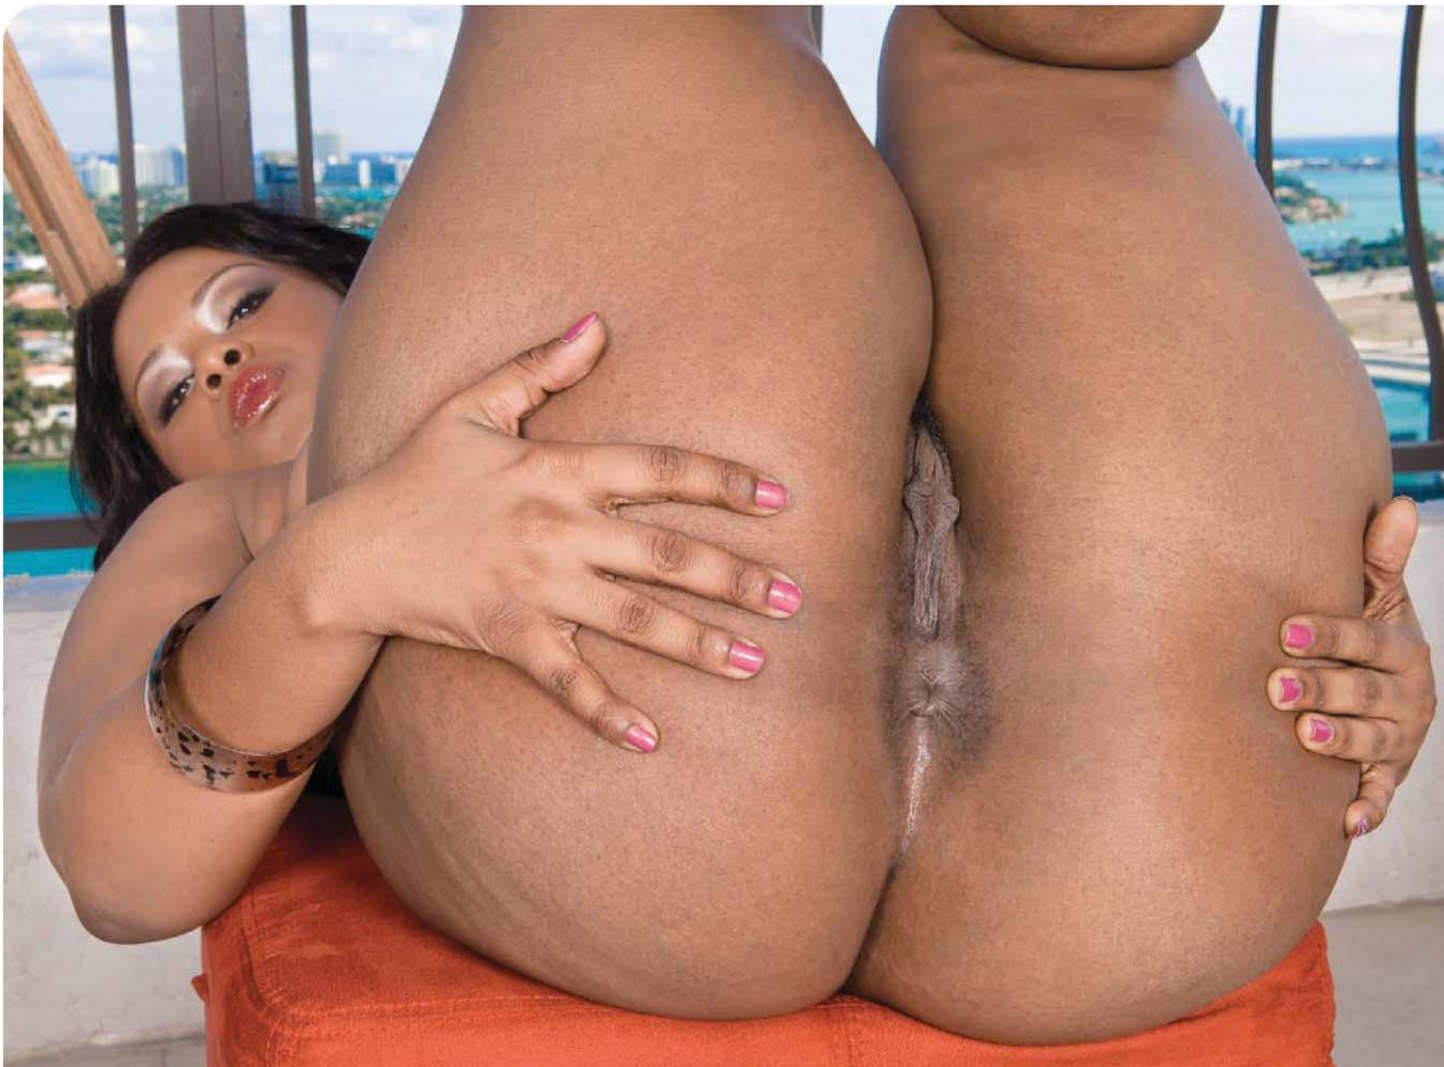

Keita Eden
Booty on the balcony

6 9

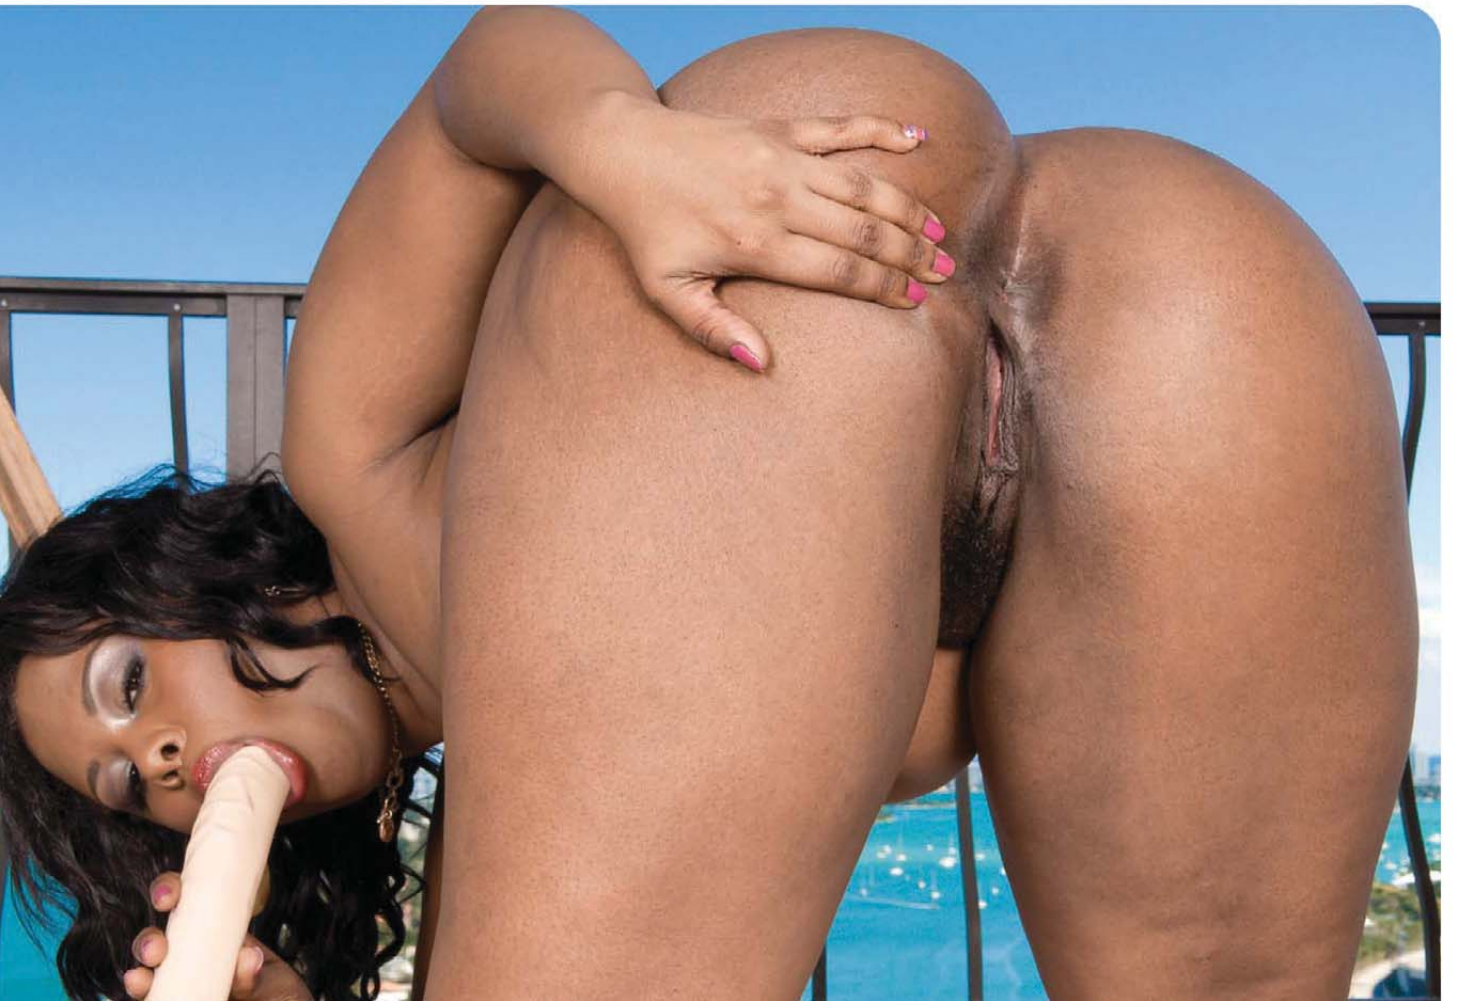

Do you dress up in sexy outfits for your men in the bedroom, too, Keita?

"I think it's important for a woman to get dressed up and do something special for her man. I like to put on some sexy lingerie and chill some champagne and wait for my man to get home from a long day at work. Then I like to let him relax by putting his hard cock in my mouth until it's nice and hard and ready to stuff in my juicy pussy. Of course I don't mind if my man wants to get himself a taste of my sweet ass, either. He can lick it, finger it and then slide his big dick inside of me!"

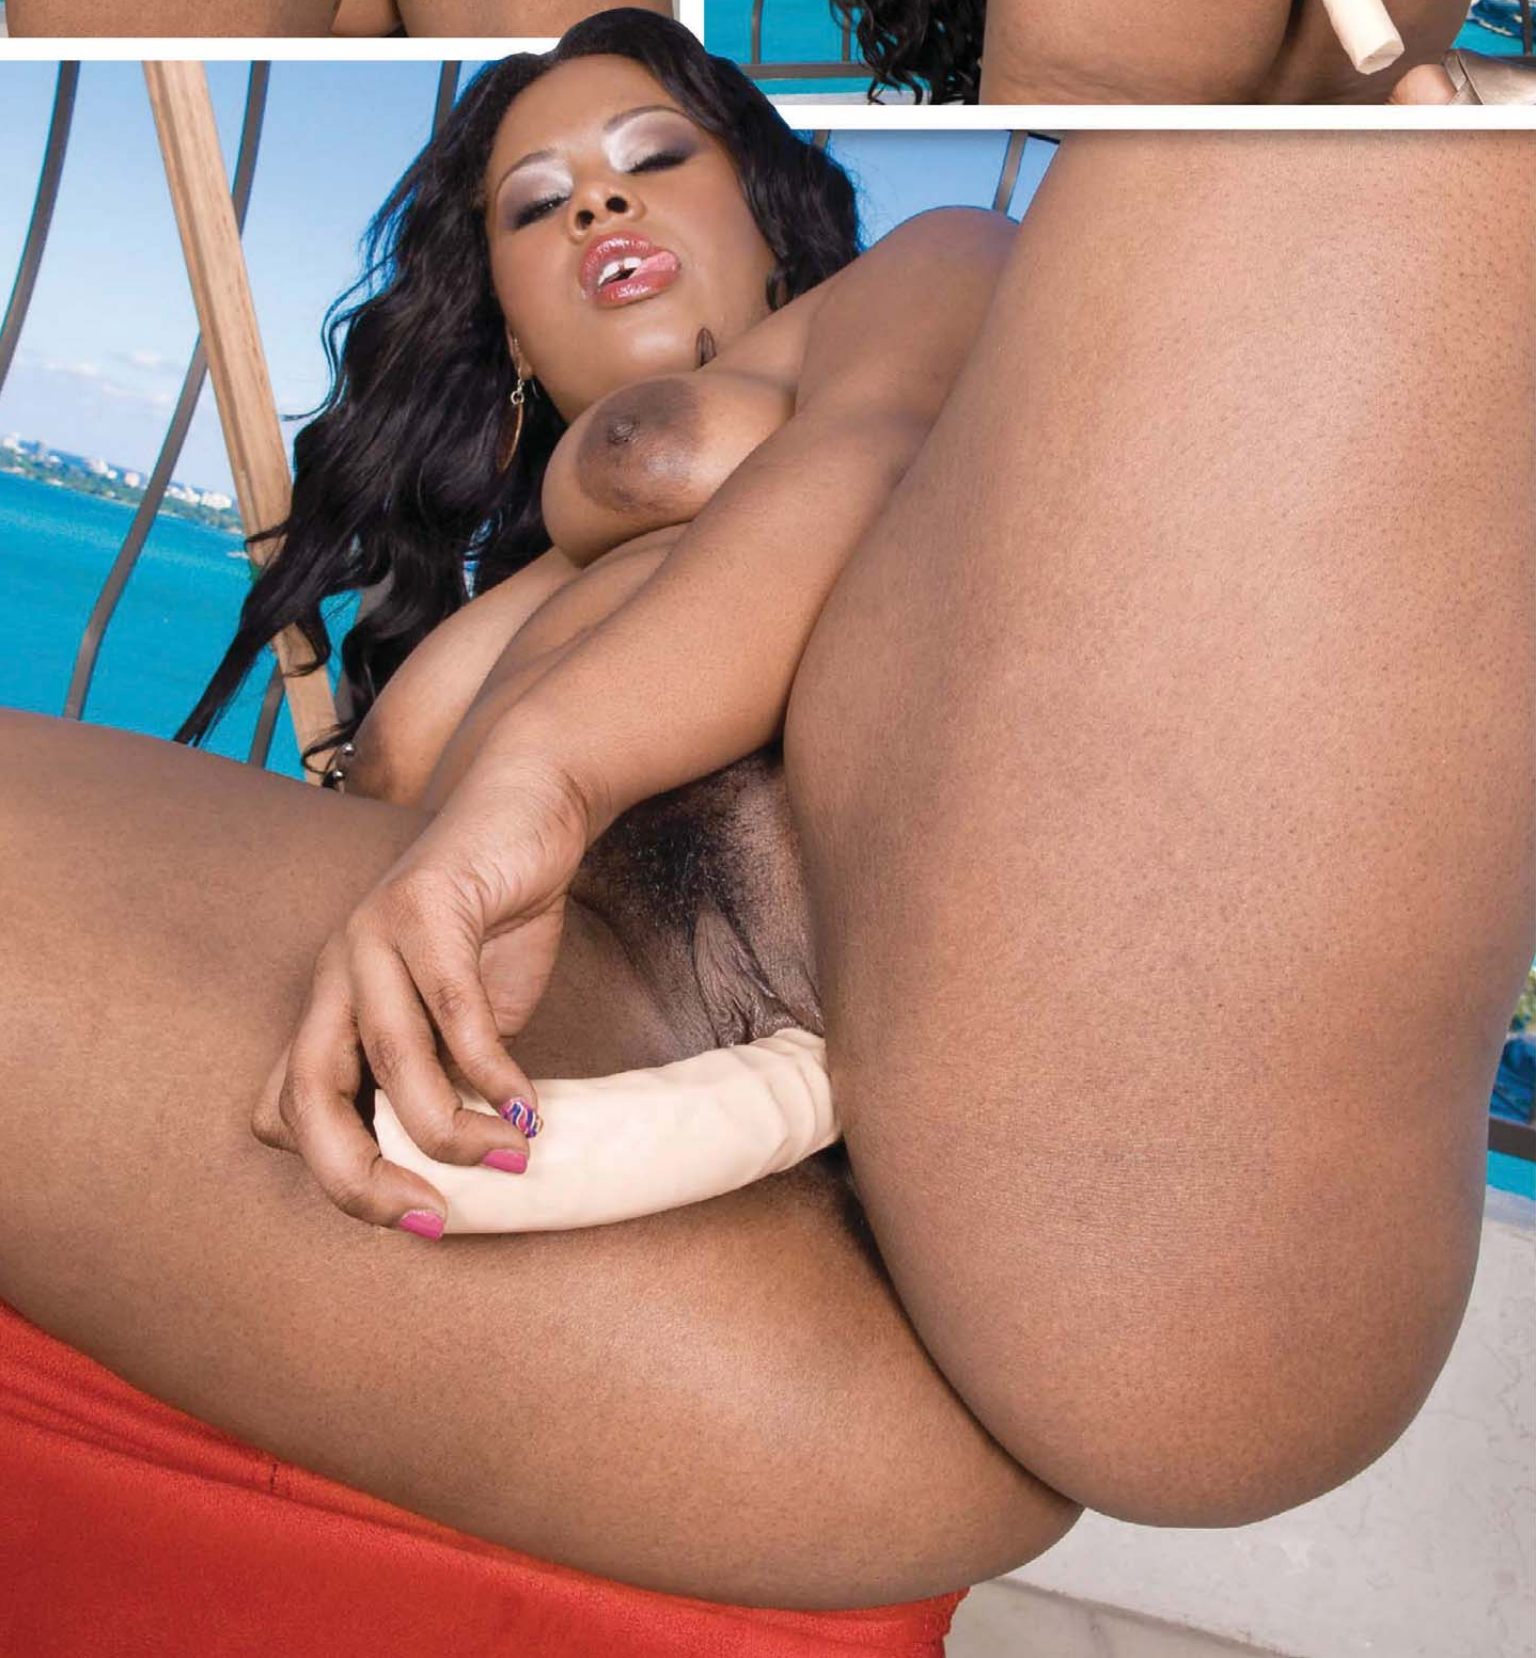

What else do you do to keep things hot during sex?

"It's all about being open to whatever a man wants to do in the bedroom. If he wants to get freaky, I am all for that. As long as he does me right and then sprays my ass with his cum so I can lick it all off. I love the way that cum tastes. So as long as he gives me that sweet, hot cum, I am down for whatever kinky things he is into."

What's your advice for the guys who want to hit it?

"It is tough for me because I have a booty that men can't ignore and a sex drive that most men can't handle. I need dick at least two times a day, which is tough sometimes 'cause men can't keep up. So, my advice for my admirers is to put in the work and give it to me so good that I won't even think twice about anyone else."

BOOTY CALL

continued from page 36

to see some more big, white asses in your magazine. Right away!

The second complaint is that there is too much anal in the magazine. I know I will probably catch a lot of shit for saying that, but I honestly prefer the models to be solo. I like to look at the ladies and all that cock just gets in the way for me. I assume that mine is a very unpopular opinion, but perhaps you guys could do an all-solo issue for guys like me. (I say guys because I am hoping beyond hope that I am not alone in my liking of girls doing just solo.)

My last complaint is going to be about the fact that you guys need to make a separate magazine for all Latinas. I would love to see an all-Latina publication from *BootyLicious*. At the very least, one that features all white, big-bootied ladies.

Am I asking for way too much here? I hope not. And I would also like to let you know that although I am complaining, that I really love your magazine. I love all the ladies that you feature and would like to say that of all the butt mags out there, *BootyLicious* is definitely number one. You guys take pride in your work and it shows, so please don't take my suggestions too seriously. I am just another fan writing in to mouth off.–C.B.D., Des Moines, Iowa

Dear C.B.D., We hear you, buddy. We know that not everyone is into anal, so we always try to feature a good balance of solo and XXX to satisfy all the readers. One thing that we took from your letter is that you love the white gals. That is why we are going to point you in the direction of the Dec. '09 issue. We did a Pale Tail special for that magazine that we think you are going to like. You can get a copy of this mag in the back issues ad on page 10. Trust us when we say that we think you will love it. As always, we appreciate all of our readers, especially when they take the time to write in and let us know what they would like to see.

WOW! MZ. BOOTY CAN AND SHOULD RIP IT ALL APART!

that she wore in her photo pictorial. I was wondering if you could persuade Mz. Booty to do a pictorial of her actually ripping off various tight pants and maybe produce a video clip. I know that a lot of *BootyLiciousMag.com* member, including myself, would find that very erotic to watch and enjoy.

There isn't enough material out there on the internet about women ripping out of their clothing and Mz. Booty has one of the biggest rears I've ever seen in a magazine and would love to see her do it. I am sure she could and would burst through any fabric or material from a pair of leggings to tiny denim jean shorts that are too tight for her big ass.

If this can be done, it would make a lot of your site's members' dreams come true because with a butt like hers, it's definitely possible to get done.

What would it take to pull off a pictorial or clip like this? Perhaps a scene where Mz. Booty is in a cubicle changing into clothing that's way too tight for her or simply bending and stretching cause the seams of her pants to burst open revealing her fantastic butt.

Either way, if it can be done then you'll have readers like me with you for many, many years to come. Thank you! –M.L., via the Internet

THREE CHEERS AND LOTS OF CUM FOR CHEETAH

Dear *BootyLicious,*

In your February '09 issue you featured a big-assed honey from Atlanta named Cheetah Blige. Well, this letter is to complain that ever since I've seen Cheetah, I cannot stop grabbing my cock and jacking off. It's a real problem. I have to meet this woman and woo her so that I can bury my dick in her thick, black cunt. I am also from Atlanta and I think she and I should hook up. I am a good man and I can take care of her. A woman that beautiful doesn't need to work…unless it's on this dick! And, I have a huge cock with lots of cum for her. I know that a girl like her would appreciate being dicked down over and over and I can do that for her and then some. Please publish my letter so that if Cheetah happens to see it, she can

Sara Siren
Rump
Referee!

Welcome back to* BootyLicious, *Sara. In the Dec. '09 issue you told us about the process for a guy to get into your ass. This time, we want to know your sexual fantasies.

"I have lots of dirty fantasies that I will be more than happy to tell you about. My favorite one is that I am tied up and licked and fucked by two guys. I don't mean just fucked one at a time, either. I would love them to be inside me at the same time. Maybe one of them could be fucking my mouth and one be drilling my wet pussy. Or maybe one guy could be in my ass and one be fucking my mouth. Being speared by two hard dicks is hot to fantasize about, I think. Especially when I want to rub one out."

We think that's a very hot fantasy to use for inspiration! Have you ever made that fantasy come true?

"[*Laughs.*] Let's just say that I have come close. I haven't had a threesome with two men, but I did have one with a man and a woman and it was probably the best sex that I have ever had. There was a lot of licking involved. She ate my pussy and he ate my asshole at the same time while I went crazy grinding and moaning. All that wetness and those two tongues forcing their way into my holes was amazing. I came from just the oral alone. Not to mention that I let her strap one on and fuck my tight asshole while I rode his cock like a wild woman. Women with strap-ons are another one of my favorite, dirty, little sexual fantasies."

Okay, so you like threesomes, you are into anal and you like it when women strap-on fake cocks and spear your asshole…we don't know about you, but to us, you sound like the perfect woman. Tell us another kinky fantasy of yours.

"[*Laughs.*] Well, I love to dress in costumes during sex. And I love burly men. And I live by a park where a bunch of guys play flag football on the weekends. So, one late afternoon I went out there in a little referee outfit and asked them if they needed someone to enforce the rules of the game for them. They all laughed, but one of them gave me a look that said he wanted to rip me apart. And he did. Right after the game at my apartment! And I wore the costume the whole time!"

Dear H.V., There you go! Hopefully Cheetah read this and you guys can make a connection. Fingers crossed!

CUMMING FOR MORGAN CUMMINGS' HOT ASS

Dear *BootyLicious,*

I love Morgan Cummings from the June '09 issue. She is exactly the type of lady that you need to feature in this magazine. She is curvy in all the right places and never sloppy. That's why I love cumming to her pictures. Are there any videos she is in that I can buy? I would love to watch her go at it in a video so I can stroke my dick. I would also love to hear what she sounds like when she cums. So please, Hook me up with some 411 on how and where I can get to that. I can't wait to see Morgan getting her freak on and also going down on a big dick! That is a lady who needs to be coated in hot cum!–S.S., Eagan, Minnesota

Dear *BootyLicious,*

Morgan Cummings is the second coming, ya'll! I love to read your magazine and I was thrilled to see Morgan Cummings in your pages. You see, I am a lesbian and very picky. Sure, I love big-assed, black women, but they have to have certain sexuality. I can't describe what it is, but it's kind of a look that lets you know that she is going to break you off. Morgan Cummings has that look. There's something primal about her. I want to know where I can see her on DVD. Or maybe I can find her on the Web? I'll subscribe to your site if I have to, just gimme more Morgan.–J.D., Queens, New York

Dear S.S. and J.D.: You can catch Morgan in this month's DVD pick on page 12. It's an ass-tastic movie called Big-Cheeked Freaks *and trust us when*

we say that it will have you going at yourself all night long. You can score your copy of Big-Cheeked Freaks *on page nine of this issue. You can also see Morgan Cummings in HD video online at* BootyLiciousMag.com. *Log on and get off today!*

MORE DYKES A'DUNKIN'

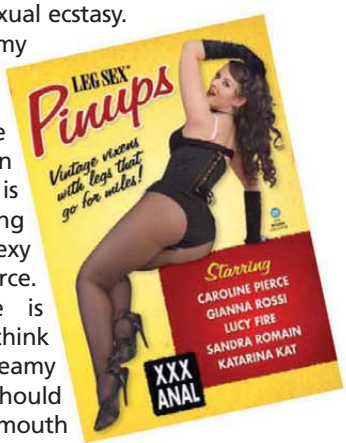

Dear *BootyLicious,*

I am writing in to formally request that you have more girl-on-girl action in the magazine. I love to see beautiful, black women grinding on each other and doing nasty lesbian shit to one another. I want to see two black chicks with big asses scissoring and finger-fucking each other. You should shoot video of it because I want to hear the fingering. I love to watch videos when big-assed chicks are fingering each other so hard that you can hear their pussy juices squishing everywhere. Give us lots more black lesbians please!–D.D., via the Internet

A BIG CAROLINE PIERCE FAN CHIMES IN

Dear *BootyLicious,*

I am a black man living in a rural white town in Ohio and I will say that living here might be boring for some, but it's like a booty paradise for me. Why? Because I love white women who have big asses. I love their curves and their amazing, delicious pink pussies and assholes. I love to bury my face in their pussies and asses and eat them out until these white women are cumming and squeezing my head with their fat thighs in sexual ecstasy.

One of my favorite booty girls that you've featured in your mag is the amazing and very sexy Caroline Pierce. Wow! She is stunning. I think that her creamy pussy lips should be in my mouth while I finger her snug asshole. I saw her in that movie *Leg Sex Pinups* and I loved the way that she sat her ass and pussy on the guy's face and ground it into his tongue. I often fantasize that she's sitting on my face! There's nothing in the world like a white ass riding your face! I hope guys can bring her back!–S.J., Maple Ridge, Ohio **B**

MS. JUICY, SKYY BLACK
AND KELLY STARR

THE THONG TEAM

Welcome back, ladies! We want to play on your team, Kelly!

"You should want to play on my team because I think that I am the MVP of all anal play! And let me just say that I loved making the movie Thong Team because we got to spend time in Miami and it is a very sexy city! I had so much fun doing this orgy scene, too, because Juicy and Skyy are amazing. Everywhere I turned there were big asses and hot titties. And hard dicks! I can't forget all of the hard dicks because they were so good. I really like being in orgies because you can do anything and everything goes and because in an orgy, it is all about pleasure."

THONG TEAM

Hi, Skyy! When we saw you in the Feb. '09 issue, you and Juicy were taking on two cocks and now you've added another pussy to that sex equation!

"[*Laughs.*] I told you in that issue and I will repeat it here, when it comes to sex, the more the merrier! This orgy was really wild because Juicy and Kelly love to fuck. I would get into the zone and start loving on the dick and then I would hear some crazy moaning and look over and see Kelly getting cock in her ass and see Juicy fingering herself watching us have sex and it would set me off! I came so many times during this scene that I had cum running down my thighs!"

THONG TEAM

What was your favorite scene for the Thong Team, Juicy? Did you finally give up that ass?

"No, I am still a booty virgin, but you never know. [*Laughs.*] I thought about giving up the ass during this scene because it was off the chain how raunchy it got. I loved it when the girls were getting dick and I was sitting back, touching my pussy and watching them get off. It is great to be a voyeur sometimes. But I wasn't touching myself and watching for too long because in no time Skyy was fingering and spitting in my pussy, getting me nice and wet and ready to get some hard cock. She loves to get nasty with girls, especially when there is a stiff dick waiting for us!"

Kelly, since you said that you are an MVP of anal, maybe you can tell us the best way to pop someone's ass cherry.

"Anal is something that people are wary to do because they think it's difficult to accomplish. The reality is that anal not only feels amazing, but you can also have incredible orgasms from it. The best way to get that ass for the first time is to stimulate the clit with a tongue or a vibrator until a woman has a few orgasms and then use good lube and just ease into the ass. If she cums a lot, she will be turned on and her asshole will be relaxed. The key is to make sure she is feeling good. Once that happens, you can stick your dick in her backdoor and she will love it!"
